

Cyber bullying 😞

Cyber bullying doesn't feel great,

You can't rely on the internet.

Being safe is important,

Everyone can get worried.

Really, you should tell a responsible adult,

But don't keep it inside.

Unfortunately, people are rude and nasty,

Leaving you uncomfortable.

Love the way you are,

You shouldn't listen to bullies.

Inside you are small,

Never listen though.

GREATNESS IS INSIDE YOU!
