BEHAVIOUR AT EVS

The Cloud System

 Star	Children are moved up to the star for exceptional behaviour or outstanding work. This is when children go 'Over and above' what is expected of them. Children are awarded 3 house points for moving to the stars.
 Rainbow	Children can be moved up to the Rainbow for displaying our school values of Community, Pride & Aspire e.g. helping out a friend or looking after our school community, taking pride in their presentation, aspiring to do their best in a piece of work.
 Sun	STARTING POINT: At the beginning of every day children start on the sun. If they remain on the sun all day they are awarded 1 house point at the end of the day. Children remain on the sun for following our school rules and expectations.
 White cloud	Children move down to the white cloud for low level disruption or distracting others' learning. This may include (but is not limited to): calling out, talking at inappropriate times, running when they are supposed to be walking, choosing not to listen, interrupting other's learning, distracting themselves or others during learning time, refusing to follow instructions or complete work and making unkind remarks. 5 Minutes Reflection Time.
 Grey cloud	Children move down to the grey cloud if their behaviour does not improve and further white cloud behaviour is seen. 10 minutes Reflection time.
 Thunder	Children move down to the thunder cloud if their behaviour still does not improve and further white cloud behaviour is seen. Children are also immediately moved down to the thunder cloud from any other stage for any of the following behaviours: swearing, hitting, punching or being verbally abusive to other children or adults as well as damage to school property, spoiling another pupil's work, persistently goading another child, using inappropriate language, taking property that does not belong to them, showing threatening behaviour and throwing equipment at another child or adult. 15 minutes Reflection time. Children at EVS have to fill out a Reflection Form which is kept by the class teacher and referred to if the child was to ever display such behaviour again.

Year 4 Autumn 1 - Homework Tasks

Below is a table of homework activities for you to complete. Over the half term you must complete at least one English task and one Maths task. You may choose to complete all of the activities if you wish to do so. Any projects completed as part of the curriculum tasks can be brought into school during the final week of this half term to be shared with the class. Everyone who does this will go on the star!

Mirodo link - <https://app.mirodoeducation.com/school/login>

Remember your log in details are stuck in the front of your reading diary.

Please read daily and practise your times tables daily as this will have a significant impact on your progress. We will check your reading records every Monday. You will be moved onto the star for reading 5 times or more in a week and recording it in your reading record.

<u>English Task 1</u> Log on to Mirodo and complete the questions linked to adjectives.	<u>English Task 2</u> Log on to Mirodo and complete the questions linked to word classes.	<u>English Task 3</u> Log on to Mirodo and complete the questions linked to prepositions.
<u>Maths Task 1</u> Log on to Mirodo and complete the questions linked to place value to 1000.	<u>Maths Task 2</u> Log on to TTRS and complete 2 sound checks and then a game of your choice to improve your multiplication knowledge.	<u>Maths Task 3</u> Log on to Mirodo and complete the questions linked to written addition and subtraction up to 4 digits.
<u>Curriculum Task 1</u> Linked to our History topic about the Romans, make a Roman shield or piece of armour.	<u>Curriculum Task 2</u> Linked to our work in Art, your task is to draw an object and use tone to create a 3D effect.	<u>Curriculum Task 3</u> Linked to our Science learning on sound, make a homemade musical instrument. What sound will your instrument make?

Remember to bring your Curriculum Homework tasks in during the week beginning 19th October to be admired and celebrated in class on Friday 23rd October.

5D Baccalaureate

You will need to complete x 3 projects throughout your baccalaureate to earn your Bronze/Silver/Gold badges.

Bronze Project for the Autumn Term: Passion Project (Linked to transition – Getting to Know you)

Theme: *Something I Enjoy*

For this project, your teacher will guide you through how to complete it.

Choose a hobby, interest or skill and share it with your class. **Examples include:** Football, Horse riding, Baking, Minecraft, Art, Dance, Animals, Music or Coding.

You could present this in any of the following ways: Poster, Power Point Presentation, Video, 3D Model or a Scrapbook.

These projects are due to be presented to your class on the week commencing the 7th December. There will be a 5D Baccalaureate Awards Ceremony on Thursday 17th December to award any children who have received their bronze badge/certificate.

Remember to:

- Use a complex sentence
- include personification
- understand and use a synonym

The ~~next~~ ^{following} year when Ben had ~~over~~ ^{out} grown his shoes and could run faster he ~~downed~~ ^{donned} donned jumped back on to his bright sapphire blue bike. He could hear the wind whistling his name. He took one last ~~glimpse~~ ^{glance} behind him as his mum ~~eyes~~ ^{eyes} gilled ~~white~~ ^{with} tears.

Children will be taught writing through quality texts and topic-based learning. We develop vocabulary skills as well as grammar skills. We delve into how to improve our writing using a range of literary devices.

Maths

Times tables and fluency

- Children will undertake an initial times tables assessment.
- There are 12 levels to pass (each level includes multiplications and inverses)
- They will then have a weekly test – 25 questions in 2mins 30 seconds.

Once children have passed all their times tables assessments, they will focus on developing their mental methods for arithmetic.

Curriculum

Children follow a curriculum aimed at developing their fluency and well as their reasoning and problem solving skills.

Arbor

Issue 34 13th June 2025

www.emersonvalley.org.uk parents@emersonvalley.org.uk (01908) 507914

Dear Parents and Carers,
This week we have welcomed Miss Liberty Wallbank as a Teaching Assistant working across the school. She has settled in well, and has primarily been getting to know our Year 3 children. Welcome to the EVS community Miss Wallbank!

Year 6 had the 2nd part of their knife crime workshop this week, following on from last year. This one focused on the laws behind knife crime, including being a bystander, peer pressure and what to do to get out of a situation they didn't feel comfortable in. All the children were really engaged and asked thoughtful questions – we are really proud of them for taking this so seriously.

On the same safeguarding focus, this week the Police and Crime Commissioner for the Thames Valley, Matthew Barber, has asked schools to share a powerful video on child exploitation with Parents and Carers. This video can be accessed by clicking [here](#). The video aims to raise awareness of child exploitation, and support Parent and Carers in identifying the signs. Please reach out to our Learning Mentor team if you need any further support with this.

Please remember to support our School Council Cake Sale and preloved uniform shop after school on Wednesday next week. Please send any donations in to school on Wednesday morning. Any homemade goods must have an ingredients list. Please collect as normal and enter the hall via the side doors.

Looking ahead to the next academic year, there has been a slight change to our INSET days. There will be an INSET day on Monday 5th January 2026 – this will be a normal school day. Monday 1st June will now be an INSET day instead, so children will return following the May half term on Tuesday 2nd June 2026. Please find attached to this newsletter the updated term dates.

Have a good weekend,
Mrs White

5 Dimensions Trust Parent and Carer Survey
On Monday you should have received Arbor communication regarding the 5D Parent and Carer survey. Please take the time to complete the survey – your views are important to us and if there's something we do well, or something we can improve, please help us to do this by letting us know. The survey will be open until 20th June 2025. Thank you for your support with this.

Year 6 transition
This week our Year 6 children have enjoyed visiting Shenley Brook End School as part of our transition activities. Although not every child is going to this school, it has been a great experience for children to start to think about life in secondary school. We know that this can be an anxious time for some children (and for parents and carers!) and would therefore like to remind you all about our Coffee afternoon which is taking place next Wednesday, 18th June, at 2pm at EVS. The focus of this session is Transition and Change and this will be hosted by Mrs Pearce, our SENCo, and attended by a member of the Mental Health Support Team and the SEND Transition co-ordinator for Shenley Brook End, Maria Barstow-Nazli. This is open to all Parents and Carers – your child does not need to be attending Shenley Brook End School.

Ice cream Friday is back!
Ice-cream Friday is back starting today! Every other Friday, we will be selling ice-creams at the front of the school (just above the steps near the main reception). We will be selling them on the following Fridays: 13th and 27th June and 11th July. The cost of the ice-creams will vary between 50p and £1. Cash only please. We would appreciate the exact amount. Any money raised will go towards the Merevalley Shop!

Music Workshop
Year 3 thoroughly enjoyed taking part in the music workshop, where they were immersed in creating music through rhythm and body movements. They had a wonderful time expressing themselves creatively.

Golf Experience
Year 3 had a fantastic time taking part in the golf experience activity, where they practised their coordination, focus and teamwork skills. They showed great enthusiasm throughout.

Iron Age
Year 3 have been learning about the Iron Age and exploring what life was like during this period of history. As part of their learning, they created their own Age Iron coins inspired by the designs used by ancient tribes.

Science
Year 3 have been learning about the human body in Science and exploring how different parts work together to keep us active and healthy. This included looking at bones, muscles and the importance of maintaining a healthy body.
