*Chair of Governing Board: Mr Niel Vlok*

---

Dear Parents,

We understand that there is much uncertainty surrounding COVID19 (coronavirus). We are being provided with daily updates from the Department for Education regarding actions that we must take as a school. At present, we have no plans to close the school. We are however removing assembly time and replacing this with a longer breaktime. The current advice is changing daily however, the most recent advice is that if your child has a cough or a fever, they shouldn't be in school for 7 days. We ask that you remain vigilant on this please. If your child does not have these symptoms and they are well enough to be in school, please continue their attendance at school.

In preparation for any potential school closure, we have set up Google classroom accounts for each child within their year group. In the event of a closure, we will update this with learning that the children can do at home. This can be accessed on any device that has internet access. If your child will not have internet access, please let the office know and we can print off some work for them.

If you wish to support your children's learning with more resources, Twinkl have a large bank of resources for the whole curriculum and are offering a free membership.

Setting this up is really easy to do - go to [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) and enter the code **UKTWINKLHELPS**.

Please check the progression maps on our website under 'Teaching and Learning' and then 'Curriculum' to check the children are completing work that is appropriate for their year group.

If you have any concerns, please contact us.

Thank you.

Mrs S Mathison  
Executive Headteacher
