Thursday 4<sup>th</sup> June 2020

Dear Children,

I hope you are keeping well.

The last few months have been challenging for all of us, not being at school, not being able to visit friends and family is not very pleasant but we must follow the advice of the scientists so that we can all come through this rather unusual period, in our history.

I am delighted to hear that the majority of you are doing your best to put into practice the attributes that we regularly talk about during our weekly Achievement Assembly, for example, you are being thoughtful, helpful, respectful and unselfish. You listen to your parents, you share your books and toys with your siblings, you tidy up your room and help around the house as well as making sure that you learn something new every day.

A large number of you are accessing Google Classroom regularly and you submit your work for your teacher to comment on. I also know that some of you, use the hardcopy of the lessons, which is great. Well done.

By now you must have read several books. I would like you to recommend your favorite book for me to read, however, you need to write, giving me the reason for your recommendation. After reading your book, if I agree with your reasoning you will receive a £5.00 book voucher from me. There are 20 book vouchers available, so start writing your book review and send it to school. I look forward to reading as many book reviews and recommendations as possible.

I will write to you again.

Keep well, keep safe and hope to see you soon.

Mrs Mathison
