Dear Parent/Carers,

By now you will have received several informative communications from us and I hope you have found them helpful and that you are reassured that we are doing everything we can to ensure the safe return of all our children in September. We can't wait to welcome all of our children back.

Today you will receive your child's end of the year report. As I have informed you in my previous communication, the format of the report is relevant to our present situation. As stated in the report, if you would like to discuss your child's report please contact the school office to arrange a phone call with your child's teacher.

As next week is the last week of term for us in school and at home, we are going to be setting some fun activities on Google Classroom and undertaking some fun activities for those at school. These will include sporting activities as well as ideas to help with transition to your child's next year group.

As you can see, we are going to be very busy and hopefully creating memorable and fun experiences for our children.

I thank you for your continuous support and ask you to adhere to the social distancing, to keep your child and us, safe.

Mrs Mathison
