17th July 2020

Dear Parent/Carers,

As another academic year comes to the end, we can reflect that this has truly been a year for the record books. In some ways, it has been the most memorable year of our lives and in others it has been one of the most challenging. We know how hard this has been for our teachers, pupils and our families. It is sad that children won't be able to say goodbye to their friends and teachers and our Year 6 students won't get their proper celebrations. All being well, we are hoping to organise a special event, one evening in the Autumn term.

We are humbled by what you have done at home to support your children during the last four months, and we are truly grateful for all the efforts that you have put into making the online learning platform work effectively. We will continue using Google Classroom for home learning purposes.

I would like to take this opportunity to thank, Mrs Boyce and Mrs Lawrence our amazing ladies in the office.

On behalf of all the staff I would like to thank our Governing Board for their continuous support and timely challenges.

As we close out this year and begin working on the 2020-2021 school year once again, we want to say thank you for all you've done to support EVS. We look forward to seeing you again when it's safe this autumn for what will be another incredible school year.

Thank you for your continuous support and have a relaxing summer.

Stay safe and healthy.

Mrs Mathison.
