

# MEREVALLEY FEDERATION

Is your child due to start school in Reception, or are they moving into Year 3 in September 2021?

We are two schools with one shared vision. As a Hard Federation we have one shared Senior Leadership Team . Our children benefit from a collaborative approach from both schools, where all staff work to ensure the best outcomes for all pupils.

Due to Covid-19, we are unable to safely offer Parents and Carers visits to our schools to see our school sites. **Please have a look at our school websites where you will find virtual tours of our schools.**

Please make a call to our school offices if you have additional questions about our provision, or if you would like to find out more about what our Federation can offer your child.
