Dear Applicant,

Thank you for expressing an interest in working at the MereValley Federation. Our Federation consists of Merebrook Infant School and Emerson Valley Junior School. Our schools are on separate sites but within walking distance of each other. Since the schools federated in September 2017, we have developed a broad and balanced curriculum at both schools, where all children are supported to progress both academically and socially. We work collaboratively to ensure the best outcomes for all of our children by sharing staffing expertise and resources.

We have fantastic children who are proud of their schools. Both schools are rated 'Good' by OfSTED, and we are looking for a dedicated, hardworking SENCO to join our existing staffing for one term in the first instance, due to a change in role of the current post holder. This is a part time position, with no class teacher responsibility and we are able to be flexible on working days for the right candidate. This role is ideally suited to somebody who has experience of working as a SENCo.

If you would like to find out more about this position and be part of our fantastic Federation team, then please do get in touch. We are happy to show you around the school in a COVID secure way, so visits are more than welcome. I look forward to meeting you soon.

Applications need to arrive at school via post or email by **9am on Tuesday 22nd June 2021**. Interviews will take place later that week.

Yours sincerely,

Miss H White
